

# Together on Mother's Day

Mother's Day is just around the corner. Whether you are together or apart, here are some ways you can spend time together.

## **Enjoy Mother's Day Brunch Over Video Chat**

If you always had brunch with your mom, you can make brunch for your mom and drop it off or order it and have it delivered. Set a time to sit down and enjoy brunch and a conversation over video chat. Remember, it doesn't have to be brunch, it could be for dinner as well.

## **Send Her Gifts And Watch Her Open Them**

Whether you bought or made your mom a gift, wrap your gift and either drop it off at her door or have it delivered. When you are both on video chat, have her unwrap the gifts.

## **Have Tea Party Together**

Wear a big hat or a nice outfit, make some tea (or coffee) and sit down to enjoy a tea party with your mother, grandmother, sister and any others. Don't forget your special cups and a small plate of treats to enjoy!

## **Ask Your Mom To Teach You Something New**

Whether its sewing, baking, cooking, painting, drawing and so on, ask your mom to teach you over video chat. Set up your workspace, gather or buy any materials you need ahead of time and then learn a new skill from your mom!

## **Have A Games Night**

Many families have discovered their own ways of playing games together while video chatting. *Houseparty* is a free app that provides you a few games to play while you video chat with your friends and family. You can also just video chat if you choose to not play any games.

## Have A Watch Party

Does your mom have a favourite movie she likes to watch? Then have a watch party! Determine a start time for the movie, prepare your drinks and snacks and sit down over video chat to enjoy a movie together.

## Give Your Mom The Day Off

Form a team with your father, siblings, grandparent and anyone else who lives in your home, and take on the responsibilities of the day. This can include cooking the meals, cleaning the house, helping with yard work and so on.

## Help Your Child Make A Mother's Day Gift
