

# Strengthening Children's Potential

Families will be respected as experts of their children and active in planning desired outcomes.

Childinü Oxford will work collaboratively with Families, Educators and Community Partners to support quality inclusive practices.

It is our hope that together, we continue to integrate services to strengthen the diversity of our community and enhance the quality of life for everyone, where everyone not only participates, but thrives in their community.

## Childinü Oxford Believes...

- ü All children are citizens of today with rights and responsibilities, as curious and competent, as being capable of complex thinking and as co-creators of culture and knowledge.
- ü Families know their children the best.
- ü All children are unique and differ in their cultural, intellectual, physical, emotional and communicative development.
- ü Inclusion is to be embraced in our community. All children are to be welcomed, supported and valued and families are to be supported in their choices.

## Childinü Oxford Will...

- ü Work with Families, Educators and Service Providers to develop goals for your child.
- ü Assist your child's developmental goals through observation, screening, consultation and programming suggestions.
- ü Support child care programs to provide an inclusive environment which meets the needs of all children.
- ü Support transition to the school system for children entering school when needed.
- ü Offer workshops for Families, Educators and Community Partners.
- ü Work collaboratively with EarlyON Child and Family Centres and other Community Partners.
